

CHINATU-MICHAEL NOBLE KELECHI : FRONTEND WEB DEVELOPER

📍 Lagos, Nigeria | ✉ noblekelechi83@gmail.com | 🔗 LinkedIn: Noble Kelechi

Portfolio: <https://portfolio-wzf8.vercel.app/> : Github: <https://github.com/Prince-icewill>

WORK EXPERIENCE

Student at APTECH AGEGE, LAGOS

Entry-level developer proficient in **HTML, CSS, JavaScript, and React**. Focused on building responsive, performant websites with clean code. Passionate about learning and contributing to impactful projects. Actively mastering cutting-edge web development technologies to build dynamic, high-performance websites.

OBJECTIVE

Driven and ambitious frontend developer seeking an internship to dominate real-world projects, refine my craft, and contribute impactful code in a professional environment.

EDUCATION

🔥 Aptech (2024–Present) – Pursuing [CPISM] CERTIFICATE OF PROFICIENCY IN INFORMATION SYSTEMS MANAGEMENT

Immersed in rigorous training to master modern web development frameworks and best practices.

TECHNICAL SKILLS

- ✓ Languages: HTML5, CSS3, JAVASCRIPT (ES6+)
